Sponsorships

Art Fluid is a happy hour, open studio night that focuses on what is most unique about the Hot Shops – experiencing the creative process.

October's Art Fluid is also our first ever fundraising event! This Halloween-themed event will feature demonstrations and hands-on activities such as Raku, collaborative painting, and other make-and-take projects. There will be plenty of spooky creative fun throughout the building.

Support the Hot Shops Art Center with a sponsorship of this event.
